Art. 6

Selection Committees

1.The committee, in charge of the selection procedures, is made up of three permanent Professors, belonging to the competition sector and not working for the University of Palermo.

The Department, asking for the publication of this call for selection, will appoint four Professors not belonging to the University of Palermo, by an absolute majority of its Board. Among those four professors, Officers, appointed by the Rector, will draw two members of the Commission.

The Department, asking for the publication of this call for selection, will appoint the third member, belonging to the University as well. In this circumstance, this third member can be selected within the Didactic macro sector.

The proposed members must have an international high scientific profile. They are selected among the tenured professors, belonging to the list of commissioners in charge for the national scientific qualification in the relevant Assessment Sector.

The Director of the Department, who requested the procedure, will validate the requirements possess and qualifications for the professors not belonging to the Ministerial lists of the Commissioners for the national scientific qualification. Those requirements and qualifications are equivalent to ones required for being included in the above mentioned lists and to those detailed in the resolution n. 132 dated 13.09.2016 issued by the ANVUR Board of Directors.

As member of the selection committee, a scholar, engaged permanently abroad in Universities research and teaching activities for at least three years, covering an academic position equivalent to that of full professor in foreign universities or research institutions, with high scientific qualification recognized internationally, can be proposed.

Should a first –level professors, belonging to the University of Palermo not be selected as member of the Commission for the selection procedure, a second-level professor can be proposed, if belonging to the University of Palermo and holding the required qualifications.

2.The Commission is appointed with a Decree issued by the Rector who may verify the above requirements preliminarily, with a support of external experts as per the paragraph 1.

When a member turns down the appointment or in the event of unexpected unavailability before the appointment of the commission, the procedure by drawing lots is repeated for the commissioner who renounced, as soon as the concerned department has communicated another member.

The designation decree is published on the Official University Register.

2. The Commission appoints a President and a Secretary among its members and makes its decisions by an absolute majority.

4. Within thirty days from the publication of the decree appointing the commission in the University Official Register, the candidates may submit to the Rector of the University petitions/complaints against the member of the selection committees, when there are the circumstances foreseen by the art. 51 and 52 of the Italian Civil Code of Civil Procedure. If the cause for the objection has arisen, as long as it is prior to the date on which the commission is established, the term starts from its onset. The petitioner's procedure is not allowed anymore, when the mentioned deadline has passed and, in any case, after the setting-up of the selection commission.

5. For the selection procedures to recruit researchers as per letter a) of art. 4 of the regulation, as members of the Selection Commissions, Second-Level Professors can be identified if they hold the necessary requirements to be included in the ministerial lists of the commissioners for national scientific qualification in the competition sector to which they belong, according to the procedure referred to in the paragraph 1.

Art. 7

Selection committee's fulfilments and exams test

The first meeting of the selection committee is requested and asked by the internal Professor, after 30 days from the date of publication of the appointment's decree on the University's Official Register. According to this public notice, the appointed committee is authorized to hold the first meeting and the whole selection procedure, via online.

The Committee in the above-mentioned meeting will:

- appoint the President and the Secretary for the minutes;
- enter in the minutes a declaration released by each member and stating the nonexistence of the causes of abstention pursuant to arts. 51 and 52 of the Italian Code of civil procedure;
- establish the criteria for the preliminary evaluation of the candidates (Ministerial Decree 05/25/2011 n. 243);
- establish the criteria to be used for the acknowledgment of a score to the qualifications and to each publication sent by the candidates, admitted to the discussion;
- view the list of candidates and enter in the minutes a statement affirming that there are no abstentions pursuant to Articles 51 and 52 of the code of civil procedure between candidates and committees' members.

At the end of the first meeting, the minutes containing the assessment criteria and schemes is delivered to the person in charge of the procedure in order to ensure the required publicity on the University's Official Register, at least for seven days, before the next and coming selection Committee section.

Pursuant to paragraph 2 letter c) of the art. 24 - Law n. 240/2010, the selection procedure will foresee a first preliminary evaluation of the candidates, with an explained and analytical evaluation decision referred to the qualifications, curriculum and on the scientific productions, including the PhD thesis, according to criteria and parameters recognized also in the international context and identified with the Ministerial Decree n. 243/2011 as per the following art. 8 of this announcement.

After the preliminary assessment, the most deserving candidates are admitted to the public discussion of qualifications and scientific production. A number between 10% and 20% of candidates and however not less than six units will be admitted. Candidates will be informed by an official communication released on the Official University Register and on the University website at the page: <http://bit.ly/ricercatoriTD>, before the scheduled date for the public interview/ discussion.

If the number of the applicants is equal to or less than six, all of them will be admitted to the public discussion and the above-mentioned preliminary evaluation will not be carried out.

The exam will take place together with the discussion about the qualifications and publications. It is also aimed at establishing the foreign language's knowledge. The public interview/discussion is open to external and general audience.

Day, venue, and time of the public discussion (online and/or in presence) will be communicated to the interested parties not less than twenty days before the exam, in the Official University Register and on the University page at <http://bit.ly/ricercatoriTD>.

No any further communication will be released. Each candidate will receive an email notifying the occurred the publication.

The Administration assumes no responsibility for the failure to receive or not to read the e-mail and each candidate will be directly responsible to keep him/herself informed by consulting the competition website to find the necessary information on the selection procedures.

After the discussion, the Commission will score the qualifications and each publication sent by the candidates admitted to the discussion, according to the criteria established in the minutes no. 1.

The Commission is required to reserve not less than 70% of the maximum score for the publications (articles 7 and 9 of the Regulations for the recruitment of temporary researchers), in scoring the qualifications and each publication.

Candidates, to join the aforementioned test, to be held also via conference call using IT and digital tools, candidates must show and have the same identification document attached to the application form.

Candidates must show only one of the following valid identification documents, for joining the evaluation sections:
