Please refer to Annex 1 for specifications and details of the aforementioned positions.

Application deadline:

The application must be completed not later than 12.00 AM on the fifteenth day following the publication of this notice on the official university bulletin board.

Admissions requirements:

Participation is limited to candidates who are:

- full professors in service for at least five years at abroad Universities;
- permanently engaged scientists abroad in research or teaching activities for at least five years at foreign universities who may hold an equivalent academic position to that of full professor (see tables of correspondence of MD 662/2016 and subsequent amendments);
- research managers and first researchers in public research institutions or people holding permanent positions or fixed-term positions according to art. 1, c. 422 and others of the 27.12.2017 law, n. 205 of the hospitalization and care institutions (IRCCS), carrying out translational, preclinical, and clinical research activities for at least five years at the institutions where they are engaged; for such cases, the national scientific qualification for the respective scientific area and the full professor position level is required.

For the respective scientific area, the candidate must possess the criteria for being potential component of committee for national scientific qualification procedures in agreement to art. 16 of 240/10 law.

How to apply

Applicants must submit their application form, under penalty of exclusion, online, using the online application form available on the following webpage: <https://pica.cineca.it/unipa/>

The candidate will be able to access the competition platform using the SPID system (Public Digital Identity System), selecting the University of Palermo among the institutions or the candidate will be able to register and access using credentials issued directly by the platform or authenticate with his/her LOGINMIUR, REPRISE or REFEREES account, if in possession. The computer application will require the possession of an e-mail address in order to register to the system.

Applicants must enter all the data required to produce the application form and attach the documents in PDF format.

The application form must be completed in all its parts, as indicated in the online procedure.

Other methods of sending application forms or documentation useful for participation in the procedure are not allowed.

The computer application allows applicants to save the documentation entered in draft mode, within the deadline for submitting the application.

The date of the electronic submission of the application is certified by the information system by means of a receipt, which will be automatically sent by e-mail when the application is submitted.

Once the application has been completed and all the attachments have been enclosed, the candidates must click on the "submit" button ("presenta"). The completion of the application will be proven only by

the change in the status of the application, which will appear "submitted" ("presentata") and no longer "in draft" ("in bozza").

Upon expiry of the deadline for submission, the system will no longer allow access and sending of the online form.

Each application will be assigned an identification number which, along with the competition code indicated in the computer application, must be specified for any subsequent communication.

The procedure for completing and sending the application electronically must be completed no later than 12.00 AM on the fifteenth day following the publication of this notice on the official university bulletin board.

In case of access through identification through the SPID system, the application for admission to the selective procedure will be automatically acquired by the system without the need for a signature.

In other cases, under penalty of exclusion, the application form must be signed, must contain all the required data and be accompanied by a valid identification document.

The application can be signed with a certified digital signature. Otherwise, candidates must save the PDF file generated by the system on their computer and, without modifying it in any way, print it and add a complete handwritten signature on the last page of the printout. This complete document must be scanned and uploaded to the computer system in PDF format.

For technical problems only, support is available via the link <https://pica.cineca.it/unipa/>.

Candidates need to attach the following:

- a) their scientific-professional curriculum vitae including a list of publications and qualifications;
- b) the project proposal developed by the candidate in order to meet the specific teaching, research and/or third mission requirements;
- c) a copy of a valid identity document.

Please note that only the Italian version of the call is legally binding; this short announcement is provided for general information only.
