

UNIVERSITÀ  
DEGLI STUDI  
DI PALERMO

*Dottorato di Ricerca in Biomedicina e Neuroscienze*

*Coordinatore: Prof. Felicia Farina*

Sede Amministrativa: Dipartimento di Biomedicina Sperimentale e Neuroscienze Cliniche

## AVVISO DI SEMINARI

Lunedì 9 Febbraio 2015, ore 11:00

Aula "E. Nesci", Sezione di Anatomia Umana

Dipartimento di Biomedicina Sperimentale e Neuroscienze Cliniche

Via del Vespro 129, Palermo

### **Sergio Adamo, MD**

Full Professor of Histology and General Embryology  
Coordinator of the PhD School in Biology & Molecular Medicine  
"La Sapienza" University of Rome,  
Rome, Italy

*"Neurohypophyseal hormones:  
novel actors of striated muscle development and homeostasis"*

---

### **Dario Coletti, PhD**

Associate Professor of Histology and General Embryology  
"La Sapienza" University of Rome,  
Rome, Italy

CNRS UMR 8256 - INSERM ERL U1164 - UPMC P6  
Universite Pierre et Marie Curie  
Dept. of Biological Adaptation and Aging (B2A)  
Paris, France

*"Molecular and cellular mechanisms  
involved in cancer cachexia and therapies"*
