

WE ARE HIRING IN OUR DESIGN CENTER IN MILANO!

WANT TO CONTRIBUTE TO BUILD A BETTER, GREENER, MORE SUSTAINABLE FUTURE?

At **onsemi**, we're always looking for champions ready to drive meaningful progress. We seek people who are bigger and smarter than ourselves. That's how we create a company of high-performance innovators that advance intelligent technology for a better future - for the planet, for our communities and for our people.

Why onsemi?

At **onsemi** we innovate, we transform, and we lead. We challenge and inspire one another every day to be at our best. We advance intelligent technology for a better future.

Life at onsemi

We don't just develop intelligent technology - we deliver sustainable outcomes to make the world a safer and better place.
