The access to all the establishments of the university is currently allowed only with the EU Digital Covid Certificate (aka "green pass").
Here and here more infos about the green pass.
Therefore, to benefit of the COT guidance and counseling services will be necessary to be in possession of the green pass also.

If you have been already vaccinated in your country with a vaccine approved in the EU or you **recovered from Covid-19** you can ask the green pass:
- by mail to greenpassfiera@asppalermo.org, or
- at the green pass office site in pavilion 20 of Palermo's vaccine hub from 8:00 to 20:00.

Here and here you can find the list of the vaccine approved.

Documents required:
A. tessera sanitaria (health card);
B. passport;
C. vaccination certificate or certificate of recovery from Covid-19 issued by the foreign health authority.
The certificates referred to in letter c) must be written in English; differently, the certification must be submitted with its own sworn translation.

IMPORTANT NOTICE
To ask the green pass you must have a "codice fiscale".
If you are in need of guidance and counseling by COT, but you cannot ask for the green pass yet, access will be granted to those who had taken a negative antigenic or molecular swab test within the last 48 hours.

Students from countries included in List "E" of Annex 20 to the DPCM of March 2, 2021, must:

- present to the air carrier the Passenger Locator Form or in digital format or in analogic copy at the boarding;
- present to the air carrier a negative molecular or antigenic test done in the seventy-two hours before the departure;
- respect a quarantine of 10 days at the address indicated in the Passenger Locator Form;
- take a molecular or antigenic test after the 10 days of quarantine.
